

A man is lying on his side, receiving a massage. His head is resting on his hand, and his eyes are closed. A therapist's hands are visible, one on his shoulder and another on his back. In the background, there are several dark-colored ceramic pots, some containing a glowing orange substance, likely used in the massage process. The overall atmosphere is relaxing and therapeutic.

A close-up, side-profile photograph of a man lying on his back, receiving a massage. His eyes are closed, and his expression is relaxed. A pair of hands is visible, gently massaging his shoulder and upper arm. The lighting is warm and soft, creating a serene atmosphere. The background is slightly blurred, showing what appears to be a spa or massage setting with some equipment.

ACIDOSANA® ENTSÄUERUNGSMASSAGE

Diese Ganzkörpermassage aktiviert die Entsäuerung durch die Lockerung des Gewebes. Die speziellen Griffe regen den Säftefluss im ganzen Körper an. Dies unterstützt die natürlichen, regulativen Vorgänge des Stoffwechsels. Nach der Massage erhalten Sie ein Getränk mit einem Mineralstoffkomplex.
